

Farewell

by Éva Barsi

Dear Competitors. Dear Guests,

It was a great pleasure for me to welcome you in Eötvös József Secondary School as the host of the Central-European Olympiad in Informatics.

I hope that after the excitements of the competition you could enjoy the cultural and sport activities as well as the trips to Komárom and Esztergom.

I also hope that you had a good time and you had memorable experiences of your stay in Tata.

Final Result

The final result is decided by the committee.
